

iExpressPay Advantage™

Event payment processing and enhanced express checkout solutions.

PCI-DSS Compliant

Only PCI-DSS card processing vendors are authorized to participate and provide card processing services to the Tracker-Series end-user community.

Direct Relationships

The financial relationship is between your organization and the card processor as contractually required by Visa/MasterCard. (No 3rd party aggregation of accounts!)

Competitive Bank Rates

Our processing partners provide competitive rates to help you maximize your bottom line!

Keep Hard Earned Event Profits In Your Pocket, With iExpressPay Advantage!

Enhance the collection of your event revenue with payment processing from MaxGiving! Through our PCI-DSS certified virtual terminal technology, Tracker-Series end-users accept and process credit and debit cards at any event safely and securely, without the worry of exposing constituent's sensitive financial data.

iExpressPay Advantage - Transparency Accomplished

Designed for nonprofit payment processing, iExpressPay Advantage keeps your card processing costs as low as possible, placing more of your hard-earned event revenues where they belong - in your organization's bank account!

iExpressPay Advantage provides a complete Internet-based, virtual payment processing solution for iExpressPay Advantage and the Tracker-Series application suite. Our solution is designed for processing a variety of payment classifications from reservations, sponsorship gifts and purchases for live galas as well as online events and gift processing with one merchant account.

Direct Integration w/Tracker-Series Applications

Eliminate manual payment posting at your event. Complete bi-directional integration between Tracker-Series applications and iExpressPay Advantage ensures accurate, automated posting of financial transactions.

Card Processing - "Demystified," "Simplified"

- Eliminates expensive, long-term multi-year contracts and their fees.
- Eliminates expensive, early termination fees. Start and stop your agreement as needed, on your terms with no financial penalties.
- Eliminates terminal rentals and all associated shipping costs.
- Eliminates extraneous service fee percentages based on how much you process! You pay only the established rate for the card processed.
- You are in total control of your merchant account. Process all charges, and credit/returns from one easy to use environment at home or office.
- Secure access to all financial reporting 24/7 is included with your account.
